**Cliq: Balancing Security with Efficient , Controlled Access..**

**From the World of Mike-the-Locksmith**

**MT5+ Now Available at...Mike's Locksmith...**

**Artist Turns Old Keys And Coins Into Recycled Art...**

## From the World of Mike-the-Locksmith

Happy Labor Day to all my loyal readers! In celebration of our first anniversary in our store, I'm offering a special , not-to-be-missed deal, on Mul-T-Lock high-security deadbolts. For little more than a standard lock, you can boost your security. See below for details.

In this issue, I'll discuss the Mul-T-Lock Cliq system, an inexpensive means of protecting your business and controlling access, and I'll discuss the Mul-T-Lock MT5+.

Whether you are a small business owner or a homeowner, taking small measures can save you a lot of money and enhance your security.

Remember that my consultations, assessments and estimates are FREE, so don't hesitate to call. I'm here to help.

Be sure to visit my website: [www.mikes-locksmith.com](http://www.mikes-locksmith.com)

## Cliq: Balancing Security with Efficient , Controlled Access

Need a means to keep your and your clients' assets more secure or need to know who accesses your inventory - where and when, but want an affordable and flexible system, without incurring the costs of a full access control system? Then, Cliq is the product for you!

Mul-T-Lock CLIQ® is a High Security electro-mechanical locking solution that gives you real control over all your access points. It

allows you to communicate with your entire locking system through micro-technology that is embedded into cylinders, padlocks and keys.

As a wire-free system, CLIQ is easily deployed without the need for any special preparation. Its simple design and intuitive interface allows you to enable and disable

Call: 240-506-7500

Remember, at Mike's Locksmith, I put my customers first by offering  
FREE, NO OBLIGATION, NO  
PRESSURE ESTIMATES  
UP-FRONT PRICING and NO TRAVEL  
FEES.

I look forward to serving you in the future.

Warm Regards,  
Mike-the-Locksmith

## Artist Turns Old Keys And Coins Into Recycled Art

Re-printed from BoredPanda

Even discarded keys and coins can be turned into beautiful art with some creativity and the right sort of know-how. Michael (or Moerkey), an artist in Australia, does exactly that, turning discarded keys and coins into bottles, lampshades and other beautiful recycled metal sculptures.

"When I was supposed to be cleaning out my shed, I came across some old copper pipe saved from a previous renovation. I

ability to provide time-limited access control access.

- **High-Security Protection-** as a leading provider of High Security locking systems, Mul-T-Lock adheres to the world's most stringent standards.
