BEWARE of Scam Locksmiths!

Maryland Labor and
Licensing

BEWARE there are many listing for scam locksmith companies on online directories and on map searches. Before you hire a locksmith or any other trade(handyman, contractor, electrician, etc.) , know with whom you are dealing. Please take the step to go to [Maryland Department of Labor and Licensing](#) to see whether that company is licensed in the State of Maryland. Licensing protects you, the consumer, and assures that you are dealing with a safe, insured company and not by some fly-by-night company
