Picks and Tips from Mike the Locksmith

I don't know about you, but I'm tired of being a homebody, of not seeing my friends, of not going places. It's been a tough year for all of us in so many ways. I'm so hopeful with

warmer weather and more vaccines in more arms, we can return to some semblance of normalcy. Hoping that all of you stay healthy.

" Imagine you could open your eyes and see only the good in every person, the positive in every circumstance, and the opportunity in every challenge."

-Rabbi M.M. Schneerson

Deadbolt Dangers: Is your home open to thieves?

It's a danger most consumers don't consider. "It just doesn't make sense when you buy a lock and someone else has a key to it, period. I would like to know that my key is the only one that fits the lock," that from Lock Expert Glen Peifer.

5 Door Lock Problems That Should Not be Ignored

Door lock problems creep up from time to time, and it is something that every property owner has to deal with. Most homeowners and commercial property owners will tell you that they have encountered door lock problems at one point or another. The manner in which you treat door lock problems that crop up will determine the extent to which these problems ultimately impact your security.
