we care about your security

**Picks and Tips from Mike the Locksmith**

## **Commercial Residential Emergency**

---

Hello Friends!

Like it or not, in a short few weeks, we in the mid-Atlantic will be welcoming (or shall I say invaded by) Brood X, the 17-year cicadas. There will be talk of when they are the most tasty and how to best cook them, but I'm having no part of that.

I would be interested in hearing about whether or not you partook .

Happy reading!

- Rabbi Dov Ber of Mezritch

### How to understand lever and door handing.

Here's what you need to know to choose the correct handing for your new door handle and lever.

Have you ever purchased a new handle-set or lever, only to find that the lever is upside down after installation? You likely...

### Tips: Choose the right lock for your Home

At Mike's Locksmith, we know that protecting your family and property is on the top of your priority list.

But the sheer volume of cylinders and locking systems can be mind-boggling, overwhelming even. That's why helping you choose the best home...

“Hiring a  
locksmith pays  
for itself in **time,**  
**convenience**  
and **peace**  
of **mind.**”

### 5 reasons a locksmith is worth the investment

The decision to hire a professional locksmith can pay for itself in time, convenience and peace of mind when it comes to something as important as helping to secure your home. Like most things, the decision to hire a professional...
